SUMMARY OF INTERVIEW

A telephonic Interview was held on August 22, 2007 in which the Examiner and counsel discussed the pending (1) Requirement for Information Under 37 CFR 1.105 and the pending 35 U.S.C. §102(b) rejection with respect to Cornelius. Counsel for the Applicant requested that the Office indicate the basis under 37 CFR 1.105 for the pending Requirement for Information as the current Requirement did not provide (with particularity) a rationale under *M.P.E.P.* §704.11, as is required. Counsel for the Applicant requested the Office to reconsider the Requirement.

lee@hayes

Counsel for the Applicant requested that the Examiner reconsider the Action as the basis of the rejection appeared (to counsel) to be eight pages of uninterrupted claim text with interspersed similar citations to fairly broad passages.

While no agreement was reached, the Examiner indicated that she will provide an indication of the basis for the Requirement for Information. Counsel indicated that he would tentatively submit an interview request which requested that the Examiner point out the claim breaks in the pending Action, if an additional interview was desired.

Respectfully Submitted,
